

**OKTOBERFEST, 2010
Concession Agreement**

I, _____ of _____ hereby agree to operate a concession of _____ at Oktoberfest, 2010 on October 16, 2010. I understand that the concession fee for the event is \$75.00. This amount is payable upon executing this agreement. Spaces are limited, so an early reservation is suggested.

Concessions tents can not exceed ten by ten feet in area. Self contained concessions units greater than these dimensions are subject to the approval of the Oktoberfest Staff and must be submitted to the staff no later than September 15, 2010 for approval. Electricity is available on a limited basis and the concessionaire's requirements are also due by September 15, 2010

Each concessionaire is responsible for their own tables and chairs and other needed display materials. Oktoberfest cannot supply these items. All items scheduled to be sold during the event must be approved by the Oktoberfest Staff prior to the event.
